

ESD Top Quarter Stars: The Top Three Agents and General Agents will be presented with an award. A picture of the number one quarterly producer in each category will be featured in the ESD newsletter. Top Agent and Top General Agent of the Year will be awarded a special trophy presented at the Sales Conference.

Qualification: The Top 20 Agents and Top Six General Agents based on estimated net weekly premium on business issued for the quarter.

ESDNEWS

First Quarter 2007

Globe Life And Accident Insurance Company

Employee Services Division

From the Desk of:

Ron Polston

"The Coach"

Employee Services Division

"You're a Winning Team!"

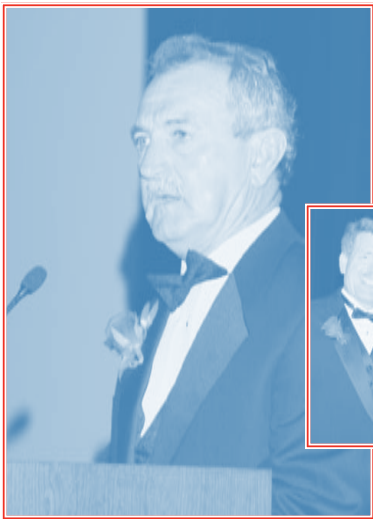

I've been called "The Coach" for years; I sometimes feel a bit like Pat O'Brien in that 1940 blockbuster, "Knute Rockne All American." Famed Notre Dame football coach, Knute Rockne, played by O'Brien, and his protege, George Gipp, played by Ronald Reagan, weave an inspiring story around the struggles and accomplishments of one of the greatest football legends of all times. Well, I don't put myself in the same category as Knute Rockne, but we do have one very important element in common – the best team that ever walked onto a playing field. You're a dedicated, hard-working group of highly talented men and women, who are tireless in bringing great products and service to those individuals and families who need them the most!

"The best thing I ever learned in life was that things have to be worked for. A lot of people seem to think there is some sort of magic in making a winning football team. There isn't, but there's plenty of work."

— Knute Rockne

You all have made it an outstanding run for me, and I'll never forget you and the great times we have shared together. I am very proud to have been a part of your lives, Globe Life, and ESD. ■

I could not have scripted my time with Globe and ESD any better if I had been a Hollywood screen writer. The twenty-nine years I have been with the Company have been the most fulfilling and fun-filled years I could ever hope for. Yes, there's been plenty of hard work for all of us. But, because we shared it, it brought success to all of us as well. The triumphs we have achieved together through the years have resulted in lifelong friendships that I would not have missed for anything in the world.

Introducing **Mike Burns**

Mike Burns
Vice President ESD Sales

Mike Burns has been in the insurance industry for 30 years, and many of those years have been with Torchmark companies. Mike spent several years at Liberty National as Vice President, Mass Marketing Sales and Administration, and then took over as Vice President, Mass Marketing, at American Income Life. Before joining the Globe team, Mike was Director of Agencies with United American and was promoted to Field Vice President in the fall of last year. Having been in the field himself and worked with field operations, Mike understands first hand the challenges faced by the field force. He strongly believes that it's the efforts of the field Agents that keep everyone employed and will do all he can to support those efforts. According to Mike,

"I'm very excited about bringing ESD further into the 21st century. This is the age of electronic communication, and we must develop our electronic capabilities, both as a Company and as individual Agents, if we are to remain one step ahead of the competition. Currently, we are enhancing our website so that the 3,000,000 federal employees and their families can learn more about the value of Globe Life products. In the months ahead, we also will initiate more and more e-mail communications with Agents, so if you don't have a computer or e-mail address, now is the time to change that! Please contact the Home Office with your e-mail address so we can all move into the future together."

In his new position as Vice President of Sales for ESD, Mike will utilize his strong leadership and communication skills to help guide the growth and expansion of this already dynamic Division. We are very excited about the talent, energy, experience, and enthusiasm Mike brings to the table. We know the successful tradition of ESD will continue to grow under his leadership. ■

Bon Voyage, Ron...

"As Ron has said over the years, 'The best things in life are not things; they're friends.' Ironically, he is one of the best things that ever happened in my life. Thanks, Ron, for the priceless moments. You are truly one of a kind. The guys and I will always love you, man, and forever be your friends."
– Charlie Scott

"Ron and I have worked together since 1980. From the start, I have considered him to be a friend. I have always appreciated that Ron has been available to help solve problems and always had the Agents' best interest as a top priority. He is dependable and wants the best for those around him. I am going to miss him, but wish him the best in his retirement."
– Jim Kragh

"I started working with Globe Life in 1973 and met Ron in '79 or '80. I have gotten to really know Ron over the last 10 years. He is a very kind hearted man and has always sent the Agents in the right direction. He is a man who stands by his word and will truly be missed by all of the ESD Agents."
– Richard Harker
